## Summary

Every cross-border payment uses currency pairs to quote and execute trades. The below, is a comprehensive list of which currencies can be traded on our platform

*Note: some countries may be referenced, which are currently excluded or sanctioned and due to circumstances beyond our control, some currencies listed may not be available at certain times. If you encounter this issue please try and perform your conversion again later in the day. Please also see our guides on payment times and conversion cut offs.*
